Crazy Labs Experience

- How do you feel around animals? Are you afraid, interested, relaxed?
- Do animals help you to learn?
- Would you like to have animals in your learning environment?
- What benefits are there?

⇨ Take a picture of yourself every day when you are around animals.

Day one: What is your opinion about animals?

Day two: How do you feel when you are surrounded by animals?

Day three: Do animals help you to learn and connect with other people?

Add your pictures to google slide, one slide per student. Add one sentence that describes your thoughts.
